

INSTRUCTIONS FOR USE

Before first use and after each use, wash with water and allow to dry thoroughly. Store with the lid open.

You can use a neutral dishwashing detergent for cleaning.

Treat the outside of the container with a surface treatment (paint, varnish) only with a damp cloth to prevent scratches or damage to the surface.

The product is not dishwasher safe, there is a risk of damage to the painted surface.

The product is intended for consumption of beverages with straw.

Do not use in the microwave. Do not place on hot surfaces.

Be careful when using with hot drinks (coffee, tea).

The lid can be worn, periodically check the condition of it before use, or replace it with a new one. Spare parts can be ordered at www.wedrink-shop.com.
